As I think that public acknowledgement of the great benefit I hav public acknowledgement of the great benefit I have received from the use of your medicine, is not only size to you, but may be useful to others. I now make it. For several years I suffered from Dyapepata, which increased to mach an extent that my benith an i constitution were rapidly sinking under it. I was compelled to restrict myself to the most simple food, and even that I could not digest; I felt a ions of strength, districtination to exercise and (as you have it in your advertisement) a general feeling of depression and indemnificable wearness. In the year 1888, hearing from others high recommendation of your anti-Dyapeptic Elixic, I procured and used it with the most happy effect; under its influence languer and constitutes gradually passed away, and my appetite revived, which Louisi grassly with impunity. ANOTHER TRIUMPH! THE subscriber respectfully invites the attention of the public, and of purchasers particularly, to the supersor Premium traces, blaninactured by him. A splendid assortment constantly on hand.

Our Fannos have received a Premium two years in succession, 1856 and 1857, at the Fairs of the American institute, Crystal Palace, in competition with most of the leading manufacturers of New York and Boston, and are unquestionably of the best quality of tone, full, round and brilliant, as well as finish and durability, and we flatter ourselves, by the approval, of renowned artists, in venturing to say that our Pianos stand superior to many others, and equal to any Grand Pano in regard to volume of tone and classicity of touch, combined with the greatest firmness, which is very rarely met wight nother Planos.

We respectfully ashed an examination from strang-

COLLECTIONS OF Flower Seeds by Mail,

FREE OF POSTAGE Twenty Select and Choice Varieties for One Dollar. "Off the accommodation of those who love the cul-

FOR the accommodation of those who love the cultivation of flowers, but who reside at a distance from where they can be procured, we have selected the most beautiful and showy varieties, each nort distinct in color, and calculated to preduce a line effect when planted out in beds or groups in the flower border. We have had each variety distinctly marked with the flotanical and lengths name, height, time of flowering, color of the flower, manner of growing, whether erect or trailing, the time is should be hown, and other valenble hints as to ste calitivation. In solecting these varieties, we have been careful to exclude all which are sky bloomers or have an languishman appearance, so that the collections will comprise unly those which are really showy and handsome, and which we believe would prove to the calific action of any lady or gentleman who might be disposed to order them. The collections will be sent free by post to any part of the pountry at the following prices:
